

It is with great regret that **The Griffon Bruxellois Breeders Association** Committee have made the difficult decision to cancel **BOTH** the Championship Show on 28th March 2020 and the Open Show on 10th May 2020 ( including the AGM).

Refunds will be made for OnLine entries from 'haveadogday' in due course. Cheques that were sent with paper entries will be destroyed unless anyone contacts me for their cheque to be returned.

Anyone who had paid their subscription with their entry- please could you forward it to me or Carol Ritchie, at your earliest convenience.

The Committee have every intention of re- scheduling the shows later in the year when we can be more certain of a positive outcome.

We would like to thank our members and exhibitors for their continued support and entries.
