

Books

It is recommended that potential owners purchase a book in order learn more about the breed.

Currently there are three books that could be of interest:

‘The Griffon Bruxellois’

By Doone Raynham. THF Kingdom Publications.

The first and most definitive book. Available from most reputable book suppliers.

‘Griffon Bruxellois’

By Juliette Cunliffe a lighter read and currently available from the GBBA.

‘The Book of Champions’ from 1987-2000

By Carol Ritchie and Jenny Kearney. A feast of photographs to entertain you. This latter book is available direct from the authors or the Griffon Bruxellois Breeders Association.
