

**The Griffon Bruxellois Breeders Association**  
**Open Show held on Sunday 15<sup>th</sup> February 2009**  
**Judge: Mr Richard Haynes**

There were 45 dogs present from the 72 entered plus another 10 not for competition supporting this enthusiastic club. Quality was excellent and I was happy with the movement, temperament and health, as far as one can see, of those present. Two exhibits were showing teeth with the mouth closed which does need watching.
